

## Do you have a bucket list?

If you haven't heard about the bucket list, a bucket list is a list of all the goal's you want to achieve, dreams you want to fulfil and life experiences you desire to experience before you die. Start writing down what comes to mind as you read these questions:

- What if you were to die tomorrow? What would you wish you could do before you die?
- What would you do if you had unlimited time, money and resources?
- What have you always wanted to do but have not done yet?
- Any countries, places or locations you want to visit?
- What activities or skills do you want to learn or try out?

Ask yourself these questions and come up with a list of things you want to achieve or experience in your life. It doesn't have to be extravagant, it has to be true to you, and your dream - if money was no object.
